Sunday  JUNE 30<sup>th</sup>

2:00- 5:00 pm

Guest Speaker

**Dr. Eric Liu**

Come hear the Co-founder of The Healing Net Foundation and surgical Director of the Neuroendocrine Institute at Rocky Mountain Cancer Centers.

A tradition that began 2000 years ago is today, the *Ultimate Team Water* sport. Dragon boating offers mental and physical health benefits, camaraderie, competitive opportunities and fun.

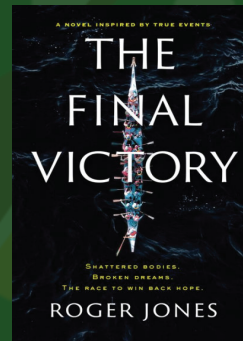

How can you learn to paddle and what does the CDBA do for the community? Learn this and the power of the dragon boat on and off the water.

Guest Speaker

**Roger Jones**

The Final Victory is the heart-wrenching story of twenty brave men and women confronting adversity, facing death, and striving together for the ultimate triumph. Reserve your signed copy at [cledba.org](http://cledba.org) Hear Roger's own challenges, why he wrote the book and how the sport of dragon boating benefits his life.
